TOUCH-AID

by ReturnMe

Use TOUCH-AID instead of your hands to avoid touching
dirty and germ-infested surfaces as part of a balanced
risk-reduction strategy*

TOUCH-AID also protects your keys

Activating your free lost & found service is simple.

- 1 Attach your TOUCH-AID to your keys or any item
you wish to protect (your bag or purse) then visit
www.Return.Me to activate your lost and found
service.
- 2 Relax! If your lost item is found, ReturnMe will
facilitate its return from anywhere in the world
with this free lifetime service.

For more information about TOUCH-AID & ReturnMe
Please visit: www.Return.Me

**This tool helps reduce exposure to germs however regular washing
of your TOUCH-AID and hands is advised along with regular hygiene
and preventative care as recommended by local health authorities.*
