

Health Kit (HLK-MDT)

Introducing the all-new HEALTH KIT.

This all-in-one solution is perfect for healthcare workers, medical students, and wellness professionals who are always on the move. With a bag tag, key tag, and two mobile decals, you can easily protect and recover your most essential items—whether it's your stethoscope case, ID badge, keys, phone, or tablet. The Health Kit ensures your tools stay safe and always find their way back to you.
